Display Home 627 - Built by Commodore Homes of Indiana
 The Essence 1 - Modular Construction (Illinois State Code)
 1,387 Square Feet · 3 Bedroom / 2 Bath · 28' x 52'

NOTES:
 When you hear the saying "good things come in small packages," think of our latest gem: The Essence 1, masterfully crafted by Commodore Homes of Indiana! We've adorned the exterior of this model home to hint at the delightful surprises that await within.

Step inside, and you'll be greeted by an expansive open-concept living area that blends style and functionality seamlessly. Here, a Gourmet Kitchen beckons with its stunning fully tiled mosaic backsplash and a dreamy pantry just waiting to store your culinary treasures. The Luxury Vinyl Plank Flooring glistens under the 8 1/2 foot ceilings, making every corner of this space feel airy and inviting!

Venture further, and you'll discover the private quarters, where generous guest rooms promise comfort and tranquility.

The master suite, however, is nothing short of a sanctuary! It's bathroom could easily trend on social media, showcasing a free-standing tub that invites relaxation, and a tiled walk-in shower that flaunts both rain head and handheld faucets. The double vanity, adorned with elegant matte black hardware and stunning waterfall faucets, adds a touch of sophistication that's sure to impress.

Can you believe all of this luxury is encapsulated in just under 1400 square feet?

There's so much more to uncover in our display home. Come visit us today and let the Essence 1 capture your heart!

We all want our homes to feel welcoming & beautiful; not just on the inside but the outside as well! This AI-generated photo invites you to envision how this home would integrate beautifully within an existing property. It showcases the transformative power of landscaping, where simple yet impactful choices—such as strategically placed plants & thoughtfully designed pathways—can elevate your home's aesthetic appeal. Let this image inspire you to enhance your outdoor space. With creativity & planning, you can create a welcoming environment that truly complements your home's architecture and personality both inside & out!
